The party had the unmbers noming back to Kentucky and declaring 1-50, at Wooster, Onto, in reply to a The Properties of the south of the policy of the that it was unfair. It would appear to us charge made by Judg Black, Mr. Doughs and water, and who feels nothing of the common that it was unfair. It would appear to us charge made by Judg Black, Mr. Doughs and water, and who feels nothing of the common that it was unfair. that no feet in sopel, and standard in some standard in the last national party of that, of all men, they should be the last to spoke thus emphatically that, of all men, they should be the last to spoke thus emphatically that, of all men, they should be the last to spoke thus emphatically bring such a charge. If the rule had nomitive that, of all men, they should be the last to spoke thus emphatically bring such a charge. If the rule had nomitive that, of all men, they should be the last to spoke thus emphatically bring such a charge. Definition of the passed away. It was the last national party of the passed away. It was the respensibility of defeating as sectional party. It they had believe made the form of the match less than the party and try to prove that they broke it up and they also less and the converted for the tree of the passed away. It was the last national party of the passed away. It was the last national party of the passed away. It was the last national party of the passed away. It was the last national party of the passed away. It was the last national party of they would have upheld the match less than the passed away. It was the last national party of they would have upheld the sectional party. It was the fairest and most perfect rule, leading a sectional party. It they had believe the common prudence, the result was the fairest and most perfect rule, leading a sectional party. It they had believe they would have been a triumph. These men, however, left the Convention. They say and try to prove that they broke it up and they to prove that they broke it up and they to prove that they broke it up and they come before the Democracy of the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform, by its workings, we would have been nominated upon the platform of the uncertain of the United States and notice in satisfically. There were described and notice in satisfically. We left, say they; and enough of every Douglas paper in the Union. The us to prevent a nomination. Look at them, trouble with these Secoders and Disunion They come, then, condemned prime facta. further their traitorous ends, and to argue

> Before judgment is pronounced, they can give their reason for this extraordinary conduct. The Democracy of every State but one instructed them to abide by the decisions of that Convention. They did not do it; they broke up the Convention; they themselves proclaim it.
>
> Now, let's hear why they should not be Now, let's hear why they should not be The Breekinridge Committee, at Washingordinary one. The sad consequences stand but Douglas; and fixing up tickets so as to it now from that stand programme is not only divided between the whilst, with an impudence that would ap- | lasty. North and South, but it is divided in every fall Satan bim elf, this same nefarious State of this Union. If they have but Committee accuse Douglas of aiding Black partial enecess, the Democratio States are Republicanism. Could the D-1 himself all surrendered to the Opposition. They get up a match for that Committee? And have done it. What overwhelming necessity | the Virginia Convention of Yanceyites, with drove them to do this dood. Lot them stand this Committee to help Lincoln, and their that Committee, was partially used in the

> Let us begin with their reasons. The first is, that the majority would not resolve that Congress must protect property in slaves in all the Territories, whether the people were opposed to it or not. They refused to assert a great Constitutional right. That will not a great Constitutional right. That will not a great Constitutional right. That will not constitute the majority would not reasons. The first is a fact that he was balloted for in the Black Republication against countries of recent expands the constitutions of the Congress must protect property in slaves in a fact that he was balloted for in the Breckinnidge Convention, and was voted for by the strongest supporters of Breckinnidge.
>
> The public were assured daily, by the agreed Constitutional right. That will not agreed to assert the constitutional right of the fact of the cranke is waters.
>
> The finends of Breckinnidge party: they are affaild the flood will, colin fence. Tho whole idea of the cranke mean, and call it making limit to rinks of the Black Republicans of the Greckinnidge party: they are affaild the flood will overwhelm them also because the following the constitutions of Breckinnidge party: they are affaild the flood will, or it is a fact that he was balloted for in the Black Republicans.
>
> The public were assured daily, by the constitutional right of the cranke of the cranke and caps, and caps do. Most of them remained after this refusal, and voted fifty-seven times for a candidate pledged to abide the decision of the Breck- outdoor. At Waiterboro, South Carolina, a foolish a farce as ever lumatics played. and voted filly-seven times for a candidate for President. They didu't consider this reason sufficient it will not do for Mr. In the consider this of that body the Louisville Courier, the ine might have to be President of the reason sufficient. It will not do for Mr. Kentucky Plag, and other Breckinrilge or-Southern Couled-racy. not consider it enfacient. But there is candidate for the office.

Now he was the Douglas candidate, when Another Romance in Real Life. every intelligent man knows that more ALADERUNS AW LY FROM HIS FATHER'S HOUSE, Douglas men voted for Combs, and more AND IS COME SEVEN YEARS. to make the assertion required. For Doughs men voted for Combs, and more twelve years the question has been up.
It was once rejected by a Democratic Convention almost unanimously; it has not been brought up since, until at Charles.

Douglas men voted for Combs, and more and the property of the convention of the property of th leston. There is no more call for any action now than there has been heretoall at once in November. 1f, however, they is silerable ability, ran away from its fatheres home, in this city, taking with him the sum all at once in November. 1f, however, they is 120, which the boy had saved and placed in one of our nutaerous savings banks. vote is the vote of Donglas. Douglas was a competitor for the Cincinnati nomination in 1856, and be lag deteated by Buchanan, bolted after Indeed, the tritling amount of this cou pany's liabilities shows conclusively the friends in the Senate of the United States. It was Mr. Buchanan who bolled the

party, broke his own pledge of honor, and regret to way, many insurance companiought to bring into the Union a free State If Douglas had not have defeated the bill the "Niagara" does not resort to any o for the admission of Kansa, another Aboli tion State would have been in the Union t cast its vote for Lincoln.

KEEP IT BEFORE THE PEOPLE!-That Stephen A. Douglas thought Squatter Sov creignty a more certain means to exclude Keep it before the people that every slave public spirit oud benevolent philanthropy Stale that is now in the Union was brough have endeared him to every man, woman and in by what the Couri r calls Squatter Sov

ereignty, and that Stephen A. Donglas neve thought any such thing as is charged KEEP IT BUTORS THE PEARLE !- That when Lincoln, the Black Republican com torial honors on one sile, and true De mocracy and defeat on the other, he bent the supple hinges of his knees to Freesoil, and turned his back on true Democracy, and

"The people of a Territory can, by law ful means, exclude slavery from their limits, prior to the formation of a State Constitu

Breckinridge said in his speech at Frankfort, last year, which was reported in the Courier, that slavery, with all the constitutional grounds thrown around it, could not remain three years in Kenineky if the people were opposed to it! Which is the Stephens and others took this ground of unfriendly legislation before Douglas did. It is not a matter of argument, but an opinion npon a fact.

KEEP IT BEIORE THE PIPLE !- That Stephen A Douglas says, by his Squatter Sovereignty to the Northern people, 'make me President, and I will give you control of the Testitories and mobile to the testing in the second of the Sec the Territories and enable you to exclud

ter away the equal nd just rights of the South to the people of the North, and the consideration be expects is the Presidency. This assertion is no satained by a single fact in Mr. Douglas' arguments, or the

history of the country. The Abolitionis's of the North are ty, and cannot do so, owing to their wide making a great werit in John ('. Breckinridge, that he owns no slaves. They had better take care or they may lose him the applications. Some insurance companies. Casey, drank and abuse of his family; own lodged in juil, suspented of being a vote of the only State he has a chance of receiving, South Carolina. The Constitu tion of that State measures a mun's capacity vote for any man who does not own at least anything of this kind. It will not crow!

FATAL NAILBOAD ACCIDENT -A Degro boy, belonging to Mr. Wm. Washington News. Washington News.

Washington, Angust 23.—The War Iteartment received to day an unusually large
umber of dispatches from various quarers. Captain Smith gives the details of is victorious battle with the Indians, 20 niles Northwest of Lake Harney, Oregon the was inclined to believe that all the h dians of that region were hostile. Colone Wright has promptly ordered the artillers and diagons to march at one to the seen of hostilities. Major Stein was to seem the whole country and cause the savages to

sue for peace. Dispaiches from Fort Kearney, Nebraska

n giving the particulars of the fight with he Kiowa and Comaches, near the Republiean river, state that twenty or thirty of them were killed. They numbered about them were killed. They humbered about six hundred the the part of the troops, one private was missing and two wounded and five of the Indian grides killed.

Intelligence has also been received from New Mexico relative to the hostile character of the Indians there. ter of the Indians there.

Advices from Camp Cody, California, mention that an interesting council had been held with the Palantes. Threats were made and good advice given. If these Indians can be believed, they will preserve friendship with the whites.

The receipts into the Trassury last week were \$1,510,000; drafts paid \$112,500; amount subject to draft \$4,124,000.

The proper military officer in Carson Valley had collected evidence to show Mormon resistance to the emigration from I'lah.

mon resistance to the emigration from Ptah. Sufficient protection has been extended to persons leaving the Territory.

The recent usualt to our consul and flag at Itin Hache, by the liberal or revolutionary party of New Granada, has received the consideration of our Flovermant, and proonsideration of our Government, and pro hably the Navy Department will dispate vessels to the Atlantic ports of that Repulfor the prevention of similar outrages le

Destructive Rain Storm. PHILAMELPHIA, August 23 The rain thingruing crused great duringe to the Chest reek was carried away with the embout ment fifly-eight feet high; a large ton bridge on the same creek was earried away

tained. Very little tain tell in the city.
On the Schuylkill, at Manyunk, the storm was very heavy. At Cleg's factory, an ont building with a steam engine and a large quantity of cotton was carried away. So pled in consequence of the riving way of an embankment. Trains are mandle to tun this morning. The damage to arrects roads and culverts is \$25,000. It is report ed that Garga's mill at Wissabickon was demolished by the flood. Additional toots from the surrounding country add e damage by the storm last night and this It extended as far as I renton and morning. It extended as far as irrenton and New Brunswick. Considerable damage was done on the New Jersey Bairoad between these points. The track on the road via Jersey City was partially washed away, several days will be required to repair the injury. No trains from Jersey City have passed south of Brunswick to-day. The Southern mail was delayed this afternoon the Canadan and Amboy Railroad here. on the Camden and Amboy Railroad hetween the meadows, and the canal near Curbsville was washed away.

The Prince of Wales' Departure for New York. MONTBEAL, August 25.—The Prince and his suite left the Parliament House in carriages at half-past ten o'clock. He was accompanied to the Champlain Market whart by the corporation, members of the Government, and 1y the national societies as a gasted of honor. He coubarked in the steamer kingston, which had been especiacy fixed up. The steamer left at 11 o'clock under a salute from the unit of war and the citadel. The yards were manned by the citadel. by the crew and soldiers, and the erowd met at the landing by the Mayor, American Consul General, and many of the leading e from a taskilu. On the citizens. The Mayor welcomed the Conmittee in a short fitting speech. Governor Fish unde a happy reply, which was received with great applause. The Committee was conducted to us quarters at the St. Lawrence Hall. Lady Franklin and niece purchased the steamer Bay City, and Intands pace. Lawrence Ha
